The American buffalo exemplifies to the fullest extent the ele ments of hearty rugged strength in animal life, and the Buffalo Brewery Co. have made a peculiarly appropriate selection of a trademark in choosing this animal to represent its productions, in that the tonic and refreshing proper ties of the Buffalo Beer promote health and invigorate the system, producing a similar condition of hardy strength in the human frame. The Royal, Cosmopolitan and Pacific saloons are the media of distribution for this famous brew to an appreciative public, and the interchangeable check is the passport at any of these favorite resorts.
